Historic Uptown Shelby

In Cleveland County you will find that you are not a visitor to us, you are our guest.

This map will guide you through a journey of discovering artisans preserving a craft handed down through generations, as well as, innovative new artists, all with a story to share. You will have your own story once you discover Cleveland County Art through galleries, shops, studios and performances. Enjoy our culinary arts at unique eateries as you stroll our walkable, tree-lined downtowns and enjoy our art of hospitality.

Although every effort is made to ensure accurate information, Cleveland County Travel and Tourism and Cleveland County Arts Council assume no responsibility for errors. Please verify availability of services with each venue prior to a visit.
